

# ZIMBABWE LEGIT

-The album recorded in 1992, but never released due to major label red-tape, finally sees the light of day. As poignant and listenable as it would have been 13 long years ago, Brothers from the Mother features production from *DJ Shadow*, *Mr. Lawnge* (*Black Sheep*) and others.

-Includes the sought-after "Shadow's Legitimate Mix" and an album's worth of never-heard gems. Rap fans have been waiting for this record for over a generation.

-Liner notes detail the captivating story behind *Zimbabwe Legit* and their music. Enhanced CD includes bonus video footage.
